

ENGLISH WITH CROSSWORDS

ENGLISH with **CROSSWORDS**

EUROPEAN LANGUAGE INSTITUTE

Language teachers all over the world agree that visual material can significantly aid the comprehension of new vocabulary. Pictures provide context and unambiguous meaning, thereby allowing students to learn and remember words more easily.

In **English with Crosswords** we develop this concept to the full introducing all new words within a chosen theme, each one alongside its visual representation. 20 words are introduced for each theme and practised in a series of 5 crosswords. Meaning is reinforced through word-picture association and words are recycled through repeated practice:

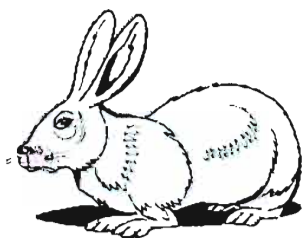

- In the first crossword students write the words corresponding to 10 illustrations in the crossword grid.
- In the second crossword the remaining 10 words are practised.
- In the third crossword a mixture of words from the first two crosswords is used and in the fourth one there is a mixture of the other 10 words.
- All 20 words are then brought together in the final crossword.

This appealing book is ideal for self-study or as a holiday refresher.
